

# CALL FOR NOMINEES!

Since the inception of Integrate Columbus, we have been asking, “what matters to you?”

All providers and service organizations listed as integrative health and wellness resources within Integrate Columbus are nominated by members of the community. This is an ongoing process! Providers and organizations come to be listed because they have been recognized and appreciated by others as practicing in alignment with IC’s values. They’ve been nominated for working consistently and cooperatively in their communities with integrity, transparency, openness and compassion.

Visit [IntegrateColumbus.org](https://IntegrateColumbus.org) to nominate the providers that have made a positive impact in your life!
