

Dear Hopeful Sponsor,

Thank you very much for taking the time to hear about the 11th annual Friend Fest!
I made Friend Fest in 2014 and it has grown exponentially!

In 2019, the local nonprofit Integrate Columbus helped make Friend Fest a large community event with an intergenerational focus so everyone can join in. It began as a field day-esque event for little kids in my backyard. Over the years it has joyously spiraled into a full-blown community event.

In 2021, we partnered with Westerville City to allow us to host it at Highlands Park, with food trucks, a local businesses fair, a variety of live music, and of course keeping the matching shirts, field day games, awards, and food drive!

Be part of this year's Friend Fest!
